WORLDWIDE SPECIFICATION CENTER

Welcome to the First SPECCENTER News of 2021.

We have continued to make extensive improvements to our VIN Match product for the US Market, while keeping with the consistent updates and improvements of previous releases.

The opposite page gives a brief illustration of just how much 2021 information is available in this R01 release

As with every release we have endeavoured to provide a wide range of updates, while increasing our content inclusion, and reviewing data to ensure the specifications are up to date with any service bulletins or updates from manufacturers.

Please see inside for details of all the great updates.

Get your orders in because Snap-on's 2021 R01 release for John Bean, Sun, Hofmann and Boxer Aligners is on sale now!
